LAND DISPOSAL PROGRAM: HEARING NOTICE, DRAFT PROPOSED REVISED WASTE DISCHARGE REQUIREMENTS FOR PASO ROBLES CLASS III LANDFILL, PASO ROBLES, CALIFORNIA

Central Coast Regional Water Quality Control Board (Water Board) staff has prepared the draft Waste Discharge Requirements Order No. R3-2008-0050 (Order), draft Monitoring and Reporting Program No. R3-2008-0050, and draft Staff Report for the Paso Robles Class III Landfill. The Water Board will hear public comments and consider this matter at its September 5, 2008 Board meeting in San Luis Obispo.

The subject documents are available for review on our website at:
<http://www.waterboards.ca.gov/centralcoast/Permits/Index.htm>

Interested parties not able to access the documents electronically may request to receive a hard copy delivered by mail. Interested parties must submit comments on the subject documents no later than **July 14, 2008**. The Water Board will not accept comments or other written submissions on the draft Order after July 14, 2008, unless the Water Board Chairman rules that exclusion would create a severe hardship, and that the late submission will not prejudice any party or the Water Board. Any person submitting late comments must explain why the materials were not submitted by July 14, 2008. The Water Board Chairman will rule on late submittals at or before the hearing. Late submissions that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all designated parties and Water Board staff have time to consider the evidence before the meeting.

Sincerely,
